Leaded: Both Sides <input type="checkbox"/> 1 Side Inside Only <input type="checkbox"/> 1 Side Outside Only <input type="checkbox"/>	
<p style="font-size: x-small;">On patterned units lead will be applied to the clear glass unless otherwise stated. All orders incorporating leads, colours and Georgian bars, must be accompanied by a drawing showing frame designs and glass edge to glass edge dimensions for all units. All drawings must be viewed from the outside.</p> <p style="font-size: x-small;">It is the installers responsibility to ensure that glass type, thickness and unit areas are suitable for the degree of site exposure. BS6262 should be referred to regarding safe glazing sizes and the use of safety glass.</p>
